

Facile Synthesis of Symmetric, Monofunctional Cyanine Dyes for Imaging Applications

Lai-Qiang Ying,* and Bruce P. Branchaud

Bioconjugate Chemistry **2011**, 22, 865–869 DOI: 10.1021/bc2001006

■ RETRACTION

Facile Synthesis of Symmetric, Monofunctional Cyanine Dyes for Imaging Applications, by Lai-Qiang Ying and Bruce P. Branchaud, *Bioconjugate Chem.*, **2011**, 22 (5), pp 865–869, DOI: 10.1021/bc2001006, has been retracted at the request of the authors and Life Technologies. The article was submitted for publication without the approval of Life Technologies.
